

FEEL THE HEAT!

Defender SS Side Mirrors

Part # 04-0815 Pro-Fit folding arm mirror

Part # 04-3005 Prowler folding arm mirror

Congratulations on your purchase of the Defender SS Side Mirrors! While side mirrors look great and are very functional, they might stick out enough to prevent your vehicle from fitting in an enclosed trailer or from passing the 50" trail width pylon. The Defender SS Mirrors have been designed to fold in and provide the additional room necessary to fit in tight spots. Be sure to check out the full line of DragonFire Accessories for your vehicle at your local authorized dealer or on-line at <http://www.DragonFireRacing.com>

Fits: Polaris Ranger, General, Maverick Trial/ Sport, Defender and Prowler Roll Cages

3/16" Allen

Disclaimer

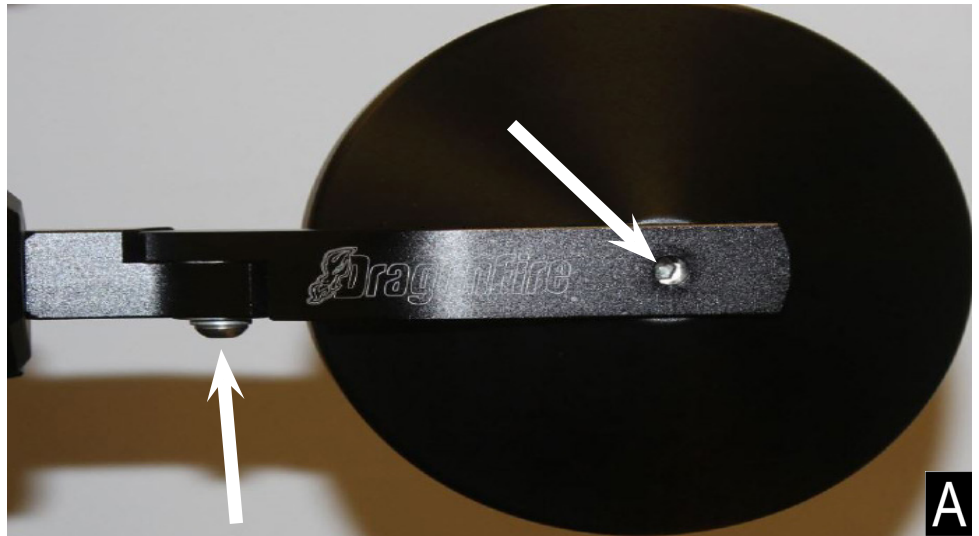

Off road activities can be hazardous and could lead to injury, dismemberment, paralysis and death. No warranty of representation is made as to the products ability to protect the user from any injury or death. The user assumes that risk. The acceptance and /or use of this merchandise purchased from DragonFire by the customer hereby shall release DragonFire from any and all liability pertaining to the use of such merchandise.

Step 1: Place vehicle on a flat and level surface. Place gear selector in "Park" and remove keys from the ignition.

Step 2: Make sure bolts are tightened before installation (**Figure A**).

Step 3: Loosen bolt in order to adjust mirror to desired position (**Figure B**). Tighten once in desired position.

Step 4: Mount mirror on the roll cage and thread on the supplied bolts. Tighten until mirror is secured (**Figure C**).

This completes installation. Time to ride and enjoy!

ProTip: Periodically check all hardware and re-tighten if needed.
